FOR IMMEDIATE RELEASE

Date: April 3, 2026

Temporary Change to Accessible Entrance

Logan County Courthouse

The Logan County Courthouse hereby provides notice to patrons who rely on the outdoor elevator for building access that the elevator will be temporarily out of service beginning April 8, 2026, due to a scheduled replacement project.

During this time, an alternative accessible entrance will be provided. Patrons requiring accessibility accommodations should report to the west side of the building, located on Kickapoo Street. The number to call for assistance is: 217-732-5952, or simply press the doorbell to alert the Security Guards inside the building.

This temporary access arrangement is anticipated to remain in place for approximately three (3) weeks, subject to construction progress.

Logan County appreciates the public's patience and cooperation as we continue restoration efforts and undertake necessary improvements to ensure the Courthouse remains safe, accessible, and compliant with applicable codes for future generations.

Thank you,

Sheriff Mark Landers

Thank you,

Building & Grounds Chairman, Lance Conahan
