Press Release: Maintenance Work at Scully and Latham Parks

The Building and Grounds Committee would like to inform the public that maintenance work will be taking place at Scully and Latham Parks over the next few days. Contractors will be onsite to replace the globes and perform electrical work on the pole lights throughout both parks.

We kindly ask all park visitors to exercise extra caution while these upgrades are underway. Please be mindful of work areas and equipment, and follow any posted signage or directions from contractors to ensure everyone's safety.

We appreciate your patience and understanding as we continue to enhance our parks for the enjoyment of Logan County residents and visitors. If you have any questions or concerns, please contact me or the Board Office at 217-732-6400.

Thank you,

Lance Conahan
Chairman, Building and Grounds
